Proposal for Center for Bioethics and Medical Humanities Research
Pilot/Exploratory Grant
2018-2019

About the Center for Bioethics and Medical Humanities:
The vision of the Center for Bioethics and Medical Humanities is to lead local, national, and global
efforts in bioethics and medical humanities that improve healthcare education, delivery, research, and
scholarship. The mission of the Center for Bioethics and Medical Humanities is to advance bioethics and
medical humanities at Northwestern and beyond through education, innovation, clinical application and
thought leadership

Purpose:
The Center for Bioethics and Medical Humanities will fund pilot/exploratory grants that support
research in bioethics and medical humanities. This award will provide funding for pilot/exploratory
projects that explore an important emerging or unanswered bioethics problem in clinical care,
biomedical research, public health, or healthcare policy. The aim is to support preliminary work that will
provide a foundation for obtaining funding to support larger research projects.

Preference will be given to proposals with a clearly delineated plan for obtaining subsequent extramural
or internal funding.

Award Information:
Projects can be up to one year in duration. Awards up to $2500.00 (total costs) will be granted.

Eligibility
To be eligible for a pilot/exploratory project grant, applicants must be one of the following:
- A Northwestern University Feinberg School of Medicine medical student, resident, or fellow*
- An employee of Northwestern Memorial Hospital, Shirley Ryan AbilityLab, or Ann & Robert H.
  Lurie Children’s Hospital*
- A Northwestern University Feinberg School of Medicine faculty member

*All medical students, residents, fellows, and employees should identify a Northwestern University
Faculty member mentor with whom to collaborate. Mentor qualifications and plans for mentor
oversight should be described in the proposal.

Requirements:
All awardees will agree to the following:
- Request membership in the Center for Bioethics and Medical Humanities
- Present results of the funded research at a conference sponsored by the Center for Bioethics
  and Medical Humanities.
- Prepare two progress reports, one halfway through the period of funding, and one at the end of the period of funding.
- Acknowledge funding from the Center for Bioethics and Medical Humanities in presentations and publications.

**How to apply:**

Applications must be submitted electronically as a pdf to Bryan Morrison at bryan-morrison@northwestern.edu. Applications should not exceed 8 pages and should include the following:

- A Cover Sheet (1 page) completed and signed by the applicant and mentor (if applicable)
- Abstract (one paragraph ≤ 500 word describing the project)
- A proposal narrative with the following headings (up to 5 pages):
  o Specific Aims
  o Background and Significance
  o Approach
  o Next Steps
  o Timeline
- Budget with budget justification (1 page)

**Review Criteria:**

Applications will be evaluated based on the following criteria:

- Background/Significance - How well does the applications describe the background and need for the research? If all the specific aims are achieved, would the project make a significant/important contribution to this field and how significant/important is this contribution?
- Approach - Are the strategy, methods, and analyses well-reasoned and appropriate to accomplish the aims?
- Mentor qualifications and plans for oversight (If applicable)
- Plans for subsequent funding - Are the plans for obtaining subsequent funding adequately described? What is the likelihood of obtaining subsequent funding?

**Important Dates:**

- Deadline for submitting applications: July 31, 2018 at 5 PM CDT
- Funding decisions communicated: September/October 2018

**Questions:** Please contact Bryan Morrison (bryan-morrison@northwestern.edu) with any questions.
